Elegant Decor Vertical Blinds are Practical, Versatile and Stylish, and they offer great control over how much light is filtered into a room. The widest range of Design options will match with any kind of interiors perfectly and different touch will be given to it.

“Best suited for both office and home”.

## *Vertical Blind*

- ❖ Provides much needed privacy and an elegant means to control light in your home.
- ❖ Wide range of colors, weave, designs, to choose from Low maintenance, Less space occupied.
- ❖ Match the interior decor at economical cost.
- ❖ Vertical Blind looks Sophisticated in looking and have an edge over the conventional drapes, because they can be frequently mixed & matched, allowing constant change in the interior colour pattern.

# Zebra Blinds

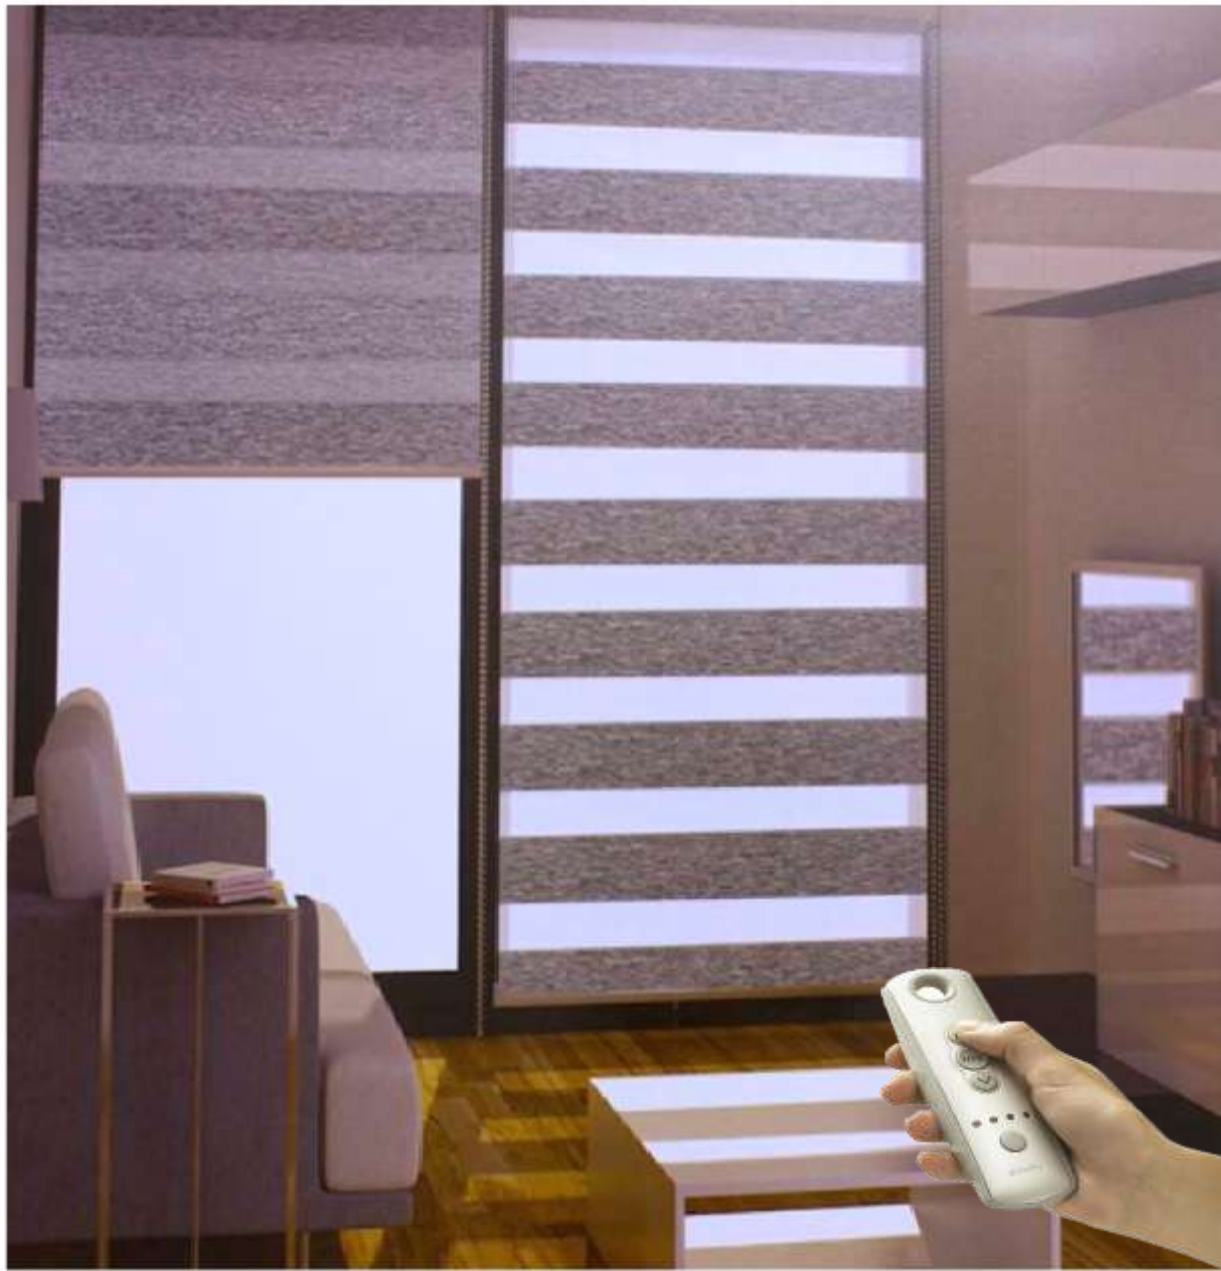

## Ultimate in look & Operation

Provides much needed privacy and an elegant means to control light in your home and Zebra Blinds will reduce the sunlight entering the room which can damage furnishings. which does not allow entry of moisture and dust in the room.

Give lots of options as to positioning – half open/ half closed etc.

Due to their design and patterns, these Zebra Blinds are easy to clean.

Simple, easy to use and can be operated manually or by touch of remote.

## Triple Shade blind

Triple Shades close the gap between Venetian Blinds and Curtains in a truly unique design that features fabric slats suspended between two sheer fabric facings for complete light control and privacy.

The shadings can be opened for a soft view, closed for complete privacy or tilted for flexible light control. Day lighting efficiency is maximized by diffusing and dispersing sunlight throughout the room, which enables lights to be turned off and energy preserved.

“ Ultimate window covering for Office & Home. ”

Simple, easy to use and can be operated manually or by touch of remote.

Style up your window for  
Ultimate Natural look.
